

## **BALLET/LYRICAL & MORE!!**

**w/ Miss Erin & Greta**

***During our past dance season my talented dance student and teaching assistant, Greta Wyers and I began collaborating on and creating this two-part dance to the legendary Elton John's "Tiny Dancer"! We both love this music, and are enjoying the process of choreographing this dance for such a talented and enthusiastic group of dancers! The choreography is a fusion of ballet and lyrical, inspired by our lovely dancers and this melodic song. In addition to working on their performance dance, students will also have a portion of this class dedicated to improving their strength, flexibility, technique, turns, jumps, etc. We are looking forward to resuming this unique dance class on Saturdays from 3:30 – 4:30 for ages 10 – 16!***

***Students interested in signing up for this class must be at least 10 year's old and have a minimum of 2 year's ballet experience.***
