Classes are scheduled to begin on Saturday, October 3, 2020. Due to the Pandemic, wearing a 3-layer mask is required for everyone and students should come to class wearing the appropriate dance attire and shoes (please see Dress Code). We are hoping to have our recital in May or early June of 2021, if it's deemed safe to do so. New students will be required to purchase their costumes in December, 2020. Returning students have already purchased their costumes, and unless they're planning to join a different class from last year's; they won't need to purchase another costume(s).

Absenteeism

If a student is absent, they still pay the full amount.
